Good morning Andrew,

I have to touch basis with the CD office yet as well. The crew can definitely split their time between both locations.  
I will reach out to the CD in the next week or so and try and schedule a time for a walk for somewhere around the week of March 19th.

I will keep you posted as well.

Thanks

On Fri, Feb 23, 2018 at 3:02 PM, Andrew Thomas <[andrew@thewestwoodvillage.com](mailto:andrew@thewestwoodvillage.com)> wrote:

Thanks, Wajenda. And hello, Larry! I hope all is well.

I'm copying our Operations Manager, Niki Svara, on this email.

Please let us know your availability for a walk in our district.

I understand the Robertson work is scheduled, but does this mean Westwood Blvd will not get any Public Works attention in 2018? Or we will meet for our walk-through and identify potential projects for completion in 2018? I hope it's the latter.

Please let me know. Thanks!

Andrew

Hi Andrew,

Hope you're doing well.

As promised I met with Larry on Tuesday and we went over his work plan for the 15 Great Streets corridors. According to the plan, BSS is working on the second and last phase of the maintenance for the year 2017-18. A new work plan for the year 2018-19 will start in July, 2018. They are scheduled to start work in your district on April 23rd 2018. The targeted area for maintenance is on Robertson this time around because SORO is one of the 2016 Challenge Grant awardees. This

means that the block face improvements will target South Robertson between Cadillac and Kincardine instead of Westwood Blvd. However, you, Jimmy, Larry, myself and someone from the CD 5 will do a walk tour of the street before work commences to identify the needs on your corridor. Larry usually sends out an invitation for the walk through 3 weeks before the work commences.

Please let me know if you have any questions.

Best,  
Wajenda

Hi Andrew,

It was great talking to you in person yesterday and thank you for bringing me up to speed with the priorities of your Great Street. I'm looking forward to working with you on the many ideas you have for your corridor.

As I mentioned during the meeting your group could start leveraging over city resources while we await the Challenge Grant to open for applications. [Here](#) is a link to the Office of Community Beautification with information about the Adopt-a-Median program I told you about yesterday. The office has other programs that you can potentially tap into for some of the work on Westwood and the surrounding streets. I'm happy to offer any support in helping you tap into any of these programs.

Please let me know if you have any questions.

Best,  
Wajenda

Hi Ashley,

My name is Andrew Thomas and I'm the Executive Director of the Westwood Business Improvement District. Westwood Blvd in our district is a Great Street.

The last couple of years, with the help of Carter Rubin, we've enjoyed two weeks per year of City Public Works crews in our district. During those periods, typically in the first or second quarters, we were able to complete sidewalk reconstruction, tree well expansion, curb repair, and other special projects.

I know there has been some transition with people involved with the Great

Streets Initiative, but I hope we can continue to see Public Works services on Westwood Blvd.

Are you the correct person for me to chat with about this? Please let me know. It would be great to catch up on the phone to talk.

Thanks!

Andrew
